Verification of Completion - WebAIM Training

This verifies that Tyler Grow has participated in and completed the WebAIM Web Accessibility Training held December 4-5, 2018 in Logan, Utah. This training was comprised of 14 hours of face-to-face instruction on how to make web sites more accessible to people with disabilities.

Curriculum included accessibility knowledge and techniques for:

- W3C's Web Content Accessibility Guidelines 2
- How people with disabilities access and use the web
- HTML, HTML5, and CSS accessibility
- JavaScript
- Accessible Rich Internet Applications (ARIA) and HTML5
- Multimedia accessibility
- PDF
- Microsoft Office
- Evaluation and testing

This verification does not constitute a certification or verification of skills or ability.
